check on the Fee Flyers to see what we will have at the Fee and-
also have a couple of different ideas this year as well so keep
in mind for the holidays to have your ideas of how you would like the
items to be organized. This makes it a great
desire in the class so we can end up with the desired items of the stu-
class, and make sure it is organized. We have this idea for your children. We are asking for suggestions to give them the things they need in the school. If you would like to help us out, please contact us. We would appreciate it.

This year we will once again be having the auction of each
